General Secretary Starkey Arrives

Assumes His New Duties at Y. M. C. A. Today-Given Big Farewell Reception at Buffalo-A Power in Religious Work.

Frederick R. Starkey, the new general secretary of the Young Men's Christian association, reached here on Wednesday evening on the train from New York, having come on from his home in Buffalo during the day, to reach here by June 1st, when his engagement with the local association begins. General Secretary Starkey was in conference during the evening with President James L. Case and Recording Secretary Frederick H. Cranston over various matters relating to the over various matters relating to the over various matters relating to the

eral secretary here in time for the as-sociation's annual anniversary service to be held next Sunday evening at the Broadway Congregational church, at which W. A. Morse, the retiring gen-eral secretary, is also to be present,

FREDERICK R. STARKEY Y. M. C. A. General Secretary.

and the address of the evening is to be delivered by Dr. Josiah Strong, Given Big Reception.

As a significant indication of the high regard held for Mr. Starkey in Buffalo, his leaving that association Buffalo, his leaving that association was marked with a big fareweil reception on Monday evening, attended by some 1,300 people, including the ministers of practically all the Buffalo churches and many of the leading business men of the city. In all that occurred during the evening there was much of culogy for Mr. Starkey's work with the Buffalo association during the month. He is to reside at No. past 11 1-2 years. The whole

SUIT FOR \$5,000 AGAINST

nesday morning a jury was selecte for the trial of the case of Mrs. Mau Bosworth, administratrix of the estat of Frederick C. Bosworth, vs. the Nev Haven road, an action wherein dam ages of \$5,000 are claimed. Mr. Bos worth was an engineer on an expres train running between Saybrook Junction and Hartford. While passing Morasmas on August II, 1910, which is five miles south of Middletown. his train ran into four freight cars loaded with ties, which had run on to the

The rain of Wednesday night should bring the total for the month up to an inch or more, which is less than a third of the average rainfall for the month. The ground can stand such a

MICRO-ORGANISMS

London water works on Wednesday received the report of State Chemist James A. Newlands on the analysis of water taken from Lake Konomoc. with the view to determining the cause of the recent odor. Six samples were taken from the lake at different points. None of them show harmful sub-stances. The odor in several is due. the state chemist finds, to a micro-or
